

## HOME ESCAPE PLAN

## Swift Current Emergency Management Organization

- Draw a floor plan or map of your home. Show all doors and windows.
- Mark two ways out of each room
- Mark all of the **smoke alarms** with SA. Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a family **meeting place** outside where everyone can meet.
- Remember, practice your plan at least twice a year!
