## C.A.O. Report

---

---

**Date:** November 29, 2021  
**To:** Chief Administrative Officer  
**From:** General Manager of Planning and Development  
**Subject:** **Proposed Discretionary Use - Bar and Lounge (170 – 19<sup>th</sup> Avenue N.E.)**

---

---

### **BACKGROUND**

The City has received a Development Permit application from Vrindda Retailing Ltd. for a change-of-use and alterations at 170 – 19<sup>th</sup> Avenue N.E. This property is located within a C2 – Neighbourhood Commercial Zoning District. The applicant is proposing to include a Bar and Lounge along with a service station and restaurant at this existing site. While the service station and restaurant are permitted uses in this zoning district, the Bar and Lounge is a discretionary use.

Under the City's Zoning Bylaw No. 24-2014, any proposed discretionary use requires approval by Council resolution as well as additional procedures to ensure Council considers whether the proposed development conforms to the Bylaw's site regulations and development standards, will not be a source of nuisance or endanger the public, and will not impede the orderly development of the surrounding property.

### **DISCUSSION**

In addition to renovating the building and developing a service station and restaurant with drive-through, the applicant is proposing to include a bar/lounge at 170 – 19<sup>th</sup> Avenue N.E., as illustrated by the supporting documents and plans from the Development Permit application attached as Schedule 'A'.

This application has been reviewed by the Planning and Development Division, other City departments, and external agencies on the suitability of the proposed development, and no issues were identified during this review. The next step in the application process is the public consultation required when considering a discretionary use. In consultation with the City Clerk, the schedule for the public consultation would be as follows:

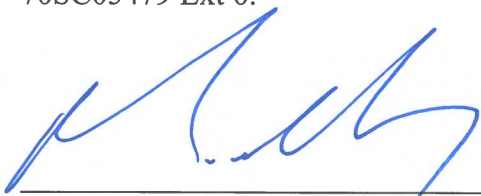

- Public notice of Council's intent to consider the discretionary use must be given to all assessed property owners within a 75-metre radius of the proposed development site,

advertised in the December 16<sup>th</sup> and 23<sup>rd</sup> editions of the Southwest Booster, and posted on the City's website. This notice will include direction on how the public may inspect the application and submit comments for Council to consider, as well as when Council intends to make its decision.

- A public hearing is scheduled to be held during the January 10<sup>th</sup> regular Council meeting. This is to allow the applicant or other interested persons to make a presentation before Council and review any verbal or written comments received for their consideration. Any presentations to be made will be coordinated with the City Clerk prior to the date of the public hearing.
- At the January 24<sup>th</sup> regular meeting, Council will consider a motion to either approve, approve with conditions, or reject the application. To assist Council in their consideration, the Planning and Development Division will present a report summarizing the feedback received during the public consultation process as well as the results of the City's final review of the Development Permit application.

### **RECOMMENDATION**

THAT Notice of Council's intent to consider a discretionary use in a C2 – Neighbourhood Commercial District be given at this time for the proposed development of a Bar / Lounge located at 170 – 19<sup>th</sup> Avenue N.E. and with a legal description of Lot B, Block 93, Plan 70SC05479 Ext 0.

## C.A.O. Report

---

**Date:** December 1, 2021  
**To:** Chief Administrative Officer  
**From:** City Clerk  
**Subject:** **Appointments to Local Boards and Committees**

---

### BACKGROUND

Each year, appointments are made for members of the public to various boards and committees where vacancies occur as a result of completion of term or resignation.

The majority of appointments are for a two-year term, except for those members appointed to the Local Library Board, where these are performed on an annual basis pursuant to *The Public Libraries Act, 1996* and other subsequent legislation.

### DISCUSSION

Advertisements were placed in the local newspaper, on the City's website, and various social media platforms commencing in October, 2021 with a November 17<sup>th</sup>, 2021 deadline for application submissions. Board members whose term expired also had the opportunity to reapply.

I am pleased to report, the City received a very good collection of quality candidates within these applications.

### RECOMMENDATION

That the following appointments, as set out in bold below, be approved to the existing Boards and Committees listing:
