ADOPTION OF AGENDA

Adoption of Agenda.

ADOPTION OF MINUTES

Adoption of minutes of the regular Council meeting held June 12, 2023.

PROCLAMATIONS

Tracey Stevenson, of the Swift Current Ag & Ex, will attend to proclaim June 25 to July 1, 2023 as “Frontier Days Week”.

Dawn Caswell, Jess Koethler and Shaun Hanna, of Southwest Saskatchewan Pride, will attend to proclaim July 2 to July 8, 2023 as “Swift Current Pride Week”.

Meghan Chisholm and Shelly Mitchell, of the City of Swift Current Aquatic Services, will attend to proclaim July 16 to July 22, 2023 as “National Drowning Prevention Week”.

DELEGATIONS

Rebecca Anderson and Deanna Baje, of the Southwest Newcomer Welcome Centre, will attend to recognize June 27, 2023 as “Canadian Multiculturalism Day”.

PUBLIC HEARINGS/PUBLIC NOTICE MATTERS/ORDERS

ITEMS FOR ACTION

- 1 Accounts.
- 4 Report regarding Amendment to 2023 Assessment Exemption of Certain Properties – Bylaw No. 8 - 2023.
- 7 Report regarding 2023 Creek Bank Rehabilitation.
- 10 Report regarding Proposed Amendments to Zoning Bylaw No 24 – 2014 (Day Care Centers in Commercial Districts).

COUNCIL MEETING
Monday, June 26, 2023
6:30 p.m.
Council Chambers, City Hall

PAGE 2

-
- 13 Report regarding Community Services Facility Rates 2023 - 2024.
 - 26 Report regarding Changes to Mount Pleasant Burial Park Cremation Section.

REPORTS FOR INFORMATION

BYLAWS

- 29 Bill No. 10 – 2023 A Bylaw to amend the 2023 Assessment Exemption of Certain Properties Bylaw No. 8 – 2023, to include two (2) additional properties that qualify for exemption.
Notice waived – will receive three readings

UNFINISHED BUSINESS

NEW BUSINESS

 Jim Jones, CAO

City of Swift Current

C.A.O. Report

Date: June 21, 2023
To: Chief Administrative Officer
From: General Manager of Corporate Services
Subject: **Amendment to 2023 Assessment Exemption of Certain Properties
Bylaw No. 8 - 2023**

BACKGROUND

Every year, Council needs to approve and adopt various agreements and policies to exempt certain properties from taxation, as well as to set the uniform mill rate and associated tax policies.

A report was brought forward to the April 3rd, 2023 Council Meeting to provide Notice of Motion to Establish the Mill Rate, Establish the Mill Rate Factors, Special Levy and to Exempt the 2023 Assessment of Certain Properties, with subsequent bylaws being passed by Council on May 29th, 2023.

DISCUSSION

In early June 2023, it was noted that Bylaw No. 8 – 2023 to Exempt the 2023 Assessment of Certain Properties, did not include two (2) properties that qualify for assessment exemption.

A local non-profit organization that already qualifies for an assessment exemption currently owns two (2) properties in the City. One (1) property was included in Bylaw No. 8 – 2023, while the other property was excluded. In this case, the bylaw must be amended to include both properties.

Another property changed ownership near the time Bylaw No. 8 – 2023 was passed, and now meets the usage criteria for exemption under new ownership. This situation is rare and given the new owner is a local non-profit organization who has requested an exemption, the bylaw must be amended to include the property.

RECOMMENDATION

THAT Council hereby waives notice of its intention to consider Bylaw to amend Bylaw No. 8 – 2023 to Exempt the 2023 Assessment of Certain Properties to include two (2) additional properties that qualify for exemption.

Kari Cobler, General Manager of Corporate Services

CAO Recommendation:

I concur with the recommendation.

Jim Jones, CAO

BYLAW NO. X - 2023

A BYLAW of the City of Swift Current, in the Province of Saskatchewan to provide for the exemption from taxation for the 2023 assessment of certain properties.

WHEREAS Section 262 of *The Cities Act*, authorizes a Council to exempt from taxation in whole or in part any land, improvements or business; and

WHEREAS various charitable organizations and businesses have made application to the City of Swift Current for exemption from taxation;

NOW THEREFORE THE COUNCIL OF THE CITY OF SWIFT CURRENT IN COUNCIL ASSEMBLED ENACTS AS FOLLOWS:

1. THAT for the year 2023, 100% of the land and improvements assessment of the following properties be exempt from taxation:
 - a) Roll No. 505023950-01
Canadian Mental Health Association
Lot 26, Block 46, Plan 102364961
28 5th Avenue North East
 - b) Roll No. 505012400-01
The Centre, SCCYI
Lot 24, Block 49, Plan 98SC16073
43 1st Avenue North East
2. THAT this bylaw shall come into force and have effect on the day of the final passing thereof.

_____ **MAYOR** _____ **CITY CLERK**

INTRODUCED AND READ a first time this -- day of June, 2023.

READ a second time this -- day of June, 2023.

READ a third time and finally passed this -- day of June, 2023.

City of Swift Current

C.A.O. Report

Date: June 21, 2023
To: Chief Administrative Officer
From: General Manager of Infrastructure and Operations
Subject: **2023 Creek Bank Rehabilitation**

BACKGROUND

Approximately 14.5 km of the Swift Current Creek meanders through the City of Swift Current. The water level of the creek varies, based on releases from Duncairn Dam, rainfall events, and snow melt. In high flow events, the creek bank occasionally erodes in localized areas and creates failures. These failures could pose threats to the safety of residents, and in some cases the failures encroach on City infrastructure and private properties.

Multiple locations have been identified where the creek bank has failed within the City. An annual program has been implemented to rehabilitate locations that impact infrastructure or pose a potential safety concern.

The typical process for rehabilitation is:

1. Excavation of failed slope material.
2. Installation and compaction of new soil material.
3. Installation of geotextile fabric and rip rap to stabilize the slope and prevent future erosion.

Any work that takes place within the vicinity of a waterway has a high environmental impact and therefore, must adhere to stringent regulations. Applications for approval to proceed with this work have been sent to Fisheries and Oceans Canada and Saskatchewan Water Security Agency and permits have been received.

The 2023 Capital Budget includes \$150,000 to complete creek bank rehabilitation work in the City.

DISCUSSION

For the 2023 Creek Bank Rehabilitation program, a request for proposals (RFP) was advertised on SaskTenders and the City website on March 21st, 2023 and closed on April 4th, 2023. The RFP criteria was based on unit prices, proposed schedule, workplan and experience.

Five (5) contractors submitted proposals, three (3) were over budget and therefore not evaluated. Vitae Environmental Ltd. of Pincher Creek, Alberta was the lowest submitted proposal and was graded the highest of the two (2) remaining bids. Vitae Environmental has experience on large jobs of similar nature with the Government of Alberta. The references from these projects indicated a positive experience and high-quality work completed on time.

The location of the initial RFP included repairs to the creek bank near Perth Drive and 13th Avenue SE to eliminate a hazard near the Chinook Pathway. After the spring flood, a bank failure along River Drive was identified as a higher priority due to the failure encroaching on critical infrastructure, the roadway and a lift station. The scope of work for both locations is the same, which includes slope grading, installation of geosynthetic fabric, installation of riprap and landscape restoration.

The revised quantities to complete the River Drive Bank Rehabilitation resulted in a bid of \$113,659.12 (10% contingency included, PST included, GST excluded) which is within the overall total budget. River Drive Bank has been submitted within the Provincial Disaster Assistance Program (PDAP) application and pending approval it may be eligible for funding through PDAP.

An alternative method has been developed to alleviate the hazard at the Perth Drive creek bank failure. The pathway will be relocated a greater distance from the creek removing the pathway from possible undermining due to sloughing of the creek bank.

RECOMMENDATION

THAT the 2023 Creek Bank Rehabilitation Contract be awarded to Vitae Environmental Ltd. of Pincher Creek, Alberta based on unit pricing to a total upset fee of \$113,659.12 (10% contingency included, PST included, GST excluded) and that the Mayor and City Clerk be authorized to sign the 2023 Creek Bank Rehabilitation Contract.

Mitch Minken, General Manager of Infrastructure & Operations
mm/tn/

CAO Recommendation:

I concur with the recommendation.

Jim Jones, CAO

Fig. 1 River Drive Bank Failure

City of Swift Current

C.A.O. Report

Date: June 19, 2023
To: Chief Administrative Officer
From: Development Officer, Planning & Development Services
Subject: **Proposed Amendments to Zoning Bylaw No. 24 - 2014
Day Care Centers in Commercial Districts**

BACKGROUND

Under Zoning Bylaw No. 24 - 2014, “Day Care Center” means an establishment for the placement, care and supervision for more than eight persons, and does not include licensed overnight supervision. This classification is typically used for early learning and child care facilities, but isn’t limited by a specific age category. Currently, day care centers may be allowed as either a permitted or discretionary use in all residential zoning districts, and as a discretionary use in the central commercial districts.

With increased government funding available for early learning and child care spaces, the City has received several inquiries about allowing these facilities in other non-residential areas. Adding day care centers as a permitted use in the other commercial districts is not likely to cause any land-use conflicts, provided additional development considerations were included with any zoning bylaw amendment.

DISCUSSION

Under the City’s Zoning Bylaw, Council has the authority to make any amendments provided they are in keeping with the intent of the Official Community Plan, as well as any other development policy, bylaw or statute.

Day care centers in non-residential areas can be found in many other Saskatchewan municipalities, either as permitted or discretionary uses. In our review for potential zoning amendments, we believe these can be classified as a permitted use in the City’s neighbourhood, highway, and shopping center commercial districts if the following development standards are applied as well:

- The location and design of any day care center in a commercial district should consider traffic, noise, proximity to hazards and hazardous uses, and any other conditions that are common in these districts to avoid land use conflicts.

- To prevent potential traffic conflicts, the day care center may require on-site additional drop-off parking spaces or loading zone.
- On-site outdoor recreation areas should be suitably fenced, screened or segregated from public streets and adjacent uses.

To accommodate these proposed changes, textual amendments to the Zoning Bylaw attached as Schedule 'A' will be required, which include the following:

1. Amend the Permitted Principal Uses for the C2–Neighbourhood Commercial District, C3–Highway Commercial District, and C4–Shopping Center Commercial District by adding day care centers as an allowed use; and
2. Amend Section 3.36 Residential Care Facilities and Day Care Centers to add the development standards discussed in this report.

RECOMMENDATION

THAT Notice of Motion be given at this time by advising the public of City Council's intent to make textual amendments to Zoning Bylaw No. 24 - 2014 to allow Day Care Centers as a permitted principal use in the C2, C3, and C4 Commercial Districts, as shown in the attached Schedule "A".

Kathy Dand, Development Officer Planning & Development Services

CAO Recommendation:

I concur with the Development Officer's recommendation.

Jim Jones, CAO

SCHEDULE 'A'

PROPOSED TEXTUAL AMENDMENTS TO ZONING BYLAW NO. 24 - 2014

1. Section 3.36 Residential Care Facilities and Day Care Centers is amended by *adding* the following text shown in bold:

3.36 Residential Care Facilities and Day Care Centers

3.36.1 **Except in commercial districts**, the Residential Care Facility or Day Care Center shall be of a size, scale and outward appearance of any adjoining residential dwelling or otherwise shall be situated and screened in such as way as to not interfere with the neighbourhood character.

3.36.2 **Except in commercial districts**, the Residential Care Facility or Day Care Center shall provide for landscaping that is compatible with the neighbouring residential properties and consistent with the character of the neighbourhood. **In all zoning districts, the landscaping provisions of Section 3.29 shall apply.**

3.36.3 Off-street parking spaces shall be provided in accordance with Section 3.22 of this Bylaw. **Additional drop-off parking spaces or loading zone may also be required on-site for Day Care Centers at the determination of the authority having jurisdiction.**

3.36.4 **Day Care Centers in commercial districts shall be located and designed with consideration for traffic, noise, proximity to hazards and hazardous uses, and any other conditions common in commercial districts to avoid any land use conflicts.**

3.36.5 **On-site outdoor recreation areas for Day Care Centers must be suitably fenced, screened or segregated from public streets and adjacent uses.**

2. Section 4.13 C2–Neighbourhood Commercial District is amended by *adding* “day care centers” as a permitted principal use.
3. Section 4.14 C3–Highway Commercial District is amended by *adding* “day care centers” as a permitted principal use.
4. Section 4.15 C4–Shopping Center Commercial District is amended by *adding* “day care centers” as a permitted principal use.

City of Swift Current

C.A.O. Report

Date: June 20, 2023
To: Chief Administrative Officer
From: General Manager Community Services and
General Manager of Cultural and Aquatic Services
Subject: **Community Services Facility Rates 2023 - 2024**

BACKGROUND

Rates are reviewed and assessed for the City of Swift Current's Community Services facilities yearly. The rates are approved by City Council and incorporated September 1st. Cemetery and golf course fees are independent and reviewed and approved separately by Council.

The Community Services facilities can be split into two categories: (1) minimal or non-revenue generating facilities and (2) revenue generating facilities. Historically, Council has directed the revenue generating facilities to recover 40% of overall total facility operating costs.

The minimal or non-revenue generating facilities include ball diamonds, tennis courts, outdoor rinks, soccer pitches, beach volleyball courts, park rentals, arts and culture.

The main revenue generating facilities include the InnovationPlex, Aquatic Centre, S3 Arenas, Lt. Colonel Clifton Centre, Dickson Community Centre, Fairview Pool, and Kinetic Park. These facilities generate revenues from users who pay a fee to use them. The user fees offset the operational expenses of the facility. For Councils information Community Services revenue generating facilities recovered 49% in 2022, budgeted 45% for 2023 and projections for 2024 are 46%.

DISCUSSION

Forecasting, setting, and monitoring of facility rates is an on-going and challenging task. It takes considerable time and effort to calculate future operational expenses in order to set revenue targets to meet the designated recovery rates. Operational costs are impacted by several factors including electricity, gas, water, wages, contractor costs, carbon tax, materials and equipment. Increases are anticipated in facility operational expenses for the upcoming years and therefore have been budgeted into the projections. Revenue projections

are based on a regular year's ability to maintain and increase facility bookings and programming.

Rates include ice surface and swimming pool rentals, room rentals, riding arenas, camping, storage, art classes and accessories (tables, chairs, stage, benches, drapes, microphones, games) etc. All rates are not automatically increased by the same percentage. The rate for each facility is reviewed and recommendations for the rates are provided accordingly.

Standard Recommended Increases Include:

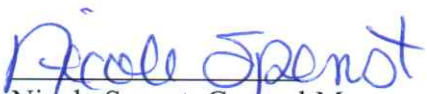

- 5% increase on Arena ice rates
- 7% increase on Athletic Field per player rates
- 5% increase on Dry Floor Surface rates
- 7% increase on all Lt. Col. Clifton and Dickson Community Centre rates
- 5% increase on Community Garden rentals
- 2% increase on Extra Revenue rentals
- 5% increase on all Park rentals
- 2% increase on Camping
- 5% increase on Aquatic programming, with some exceptions
- 2% increase on Aquatic facility rates
- 5% increase on Aquatic general admissions
- 5% increase on Art Galley rates

The Recreation, Parks and Culture Board meet on June 19th, 2023 and was presented the Facility Rates information report including detailed information on recovery rate comparison, past facility rate increases, and community comparisons. Upon review and discussion, the Recreation, Parks and Culture Board supported the information as presented and endorsed the recommended rate increases.

At the Governance and Priorities Committee meeting held June 20th, City Council was presented with the same Facility Rates information packet. The report brought forth open-ended discussion with Council accepting the information as presented and recommending a final report be brought to a Regular Council meeting for decision.

RECOMMENDATION

THAT City Council approves the facility rates as attached in Appendix A (GST and PST Excluded) to be in effect from September 1st, 2023, to August 31st, 2024.

Nicole Spenst, General Manager of Community Services

And

Melissa Shaw, General Manager of Cultural Services and Aquatics

CAO Recommendation:

I concur with the recommendation.

Jim Jones, CAO

City of Swift Current

C.A.O. Report

Date: June 14, 2023
To: Chief Administrative Officer
From: General Manager Community Services
Subject: **Changes to Mount Pleasant Burial Park Cremation Section**

BACKGROUND

In January of 2023, the City of Swift Current approved changes to the City's Cemetery fees. As City staff performed reviews of available inventory, requests from the public, and fees charged by other Municipalities, a fee was created for a double cremation lot.

The cremation rate in Canada has risen by roughly 20% since 2006 to reach approximately 75% in 2022. Cremation offers families multiple interment options such as columbaria, in-ground, and scattering.

Presently, there are no double cremation lots surveyed or available. The City's current cremation lots available in Mount Pleasant Burial Park allow only a single cremation interment. The City has the ability to develop double cremation lots at Mount Pleasant Burial Park with changes to the cemeteries survey as per *The Provincial Cemeteries Act* and *Regulations*.

DISCUSSION

Before the Province will grant approval for any change request, a cemetery owner (the City) is required to:

- Provide a written request from the cemetery owner.
- Provide a copy of the land title certificate.
- Provide a certified copy of a resolution of the municipality indicating they approve the establishment of, or changes to the cemetery.
- Provide a plan with a reasonable scale drawing (at least 500:1) showing the subdivision of the cemetery into lots and plots. (attached)

Once Provincial approval is received, a surveyor would be hired to complete work on site, including installation of new survey markers, by the end of 2023. Following completion, the City would install a strip foundation and offer the double cremation lots for sale.

RECOMMENDATION

THAT City Council approves the establishment of double cremation lots at Mount Pleasant Burial Park and authorizes Administration to proceed with the change request process as required by the Province of Saskatchewan.

Nicole Spent, General Manager of Community Services

CAO Recommendation:

I concur with the Manager's recommendation.

Jim Jones, CAO

LEGEND:

- Measurements are shown thus:
- All plot block corners marked by 0.013 x 0.450 small iron spikes shown thus:
- All plot block corners marked by 10" iron spikes shown thus:
- Reference points are shown thus:

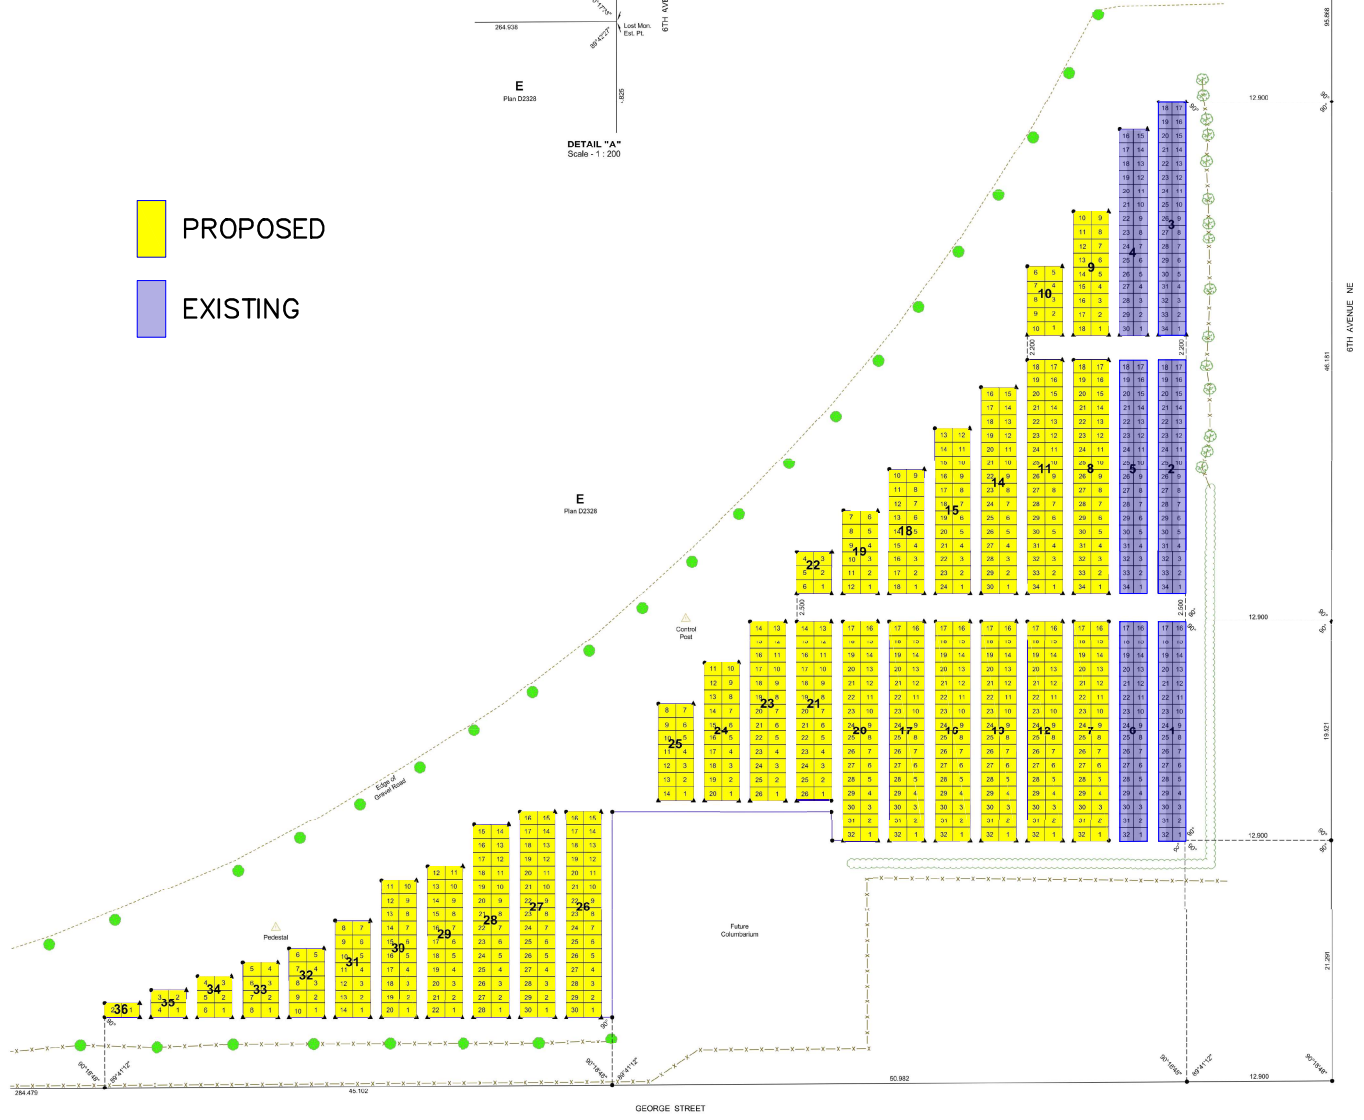

NOTES:

- Measurements are in metres and decimals thereof.
- Survey Date: _____
- Cemetery plans of how interior angles of 90° unless otherwise shown.
- All plots are 1.55 x 1.22 metres except in Blocks 1-6 the plots are 1.22 x 1.22 metres.
- All setbacks are 1.00 metres in width except as shown otherwise.
- The Datum Used: NAD83 (CGRS).
- The Projection Used: UTM Zone 18N (Unstated).
- Observational points derived from DGPS observations.
- RP Coordinates were derived on Month DD, YYYY.
