ADOPTION OF AGENDA

Adoption of Agenda.

ADOPTION OF MINUTES

Adoption of minutes of the regular Council meeting held March 18, 2024.

PROCLAMATIONS

Rebecca Anderson, CEO of Tourism Swift Current, and Karen Richmond, Chairperson of the Tourism Swift Current Board of Directors, will attend to proclaim April 15 to April 19, 2024 as "Tourism Awareness Week".

DELEGATIONS

PUBLIC HEARINGS/PUBLIC NOTICE MATTERS/ORDERS

ITEMS FOR ACTION

- 1 Accounts.
- Report regarding Notice of Motion for Bylaws to Establish the Mill Rate, Establish the Mill Rate Factors, Special Levy, and Exempt the 2024 Assessment of Certain Properties.
- 5 Report regarding East Landfill Cover Soils Contract.
- 7 Report regarding Composting Operations Contract.
- **9** Report regarding Community Services Facility Rates 2024 2025.

REPORTS FOR INFORMATION

BYLAWS

20 Bill No. 5 – 2024 A bylaw to amend Zoning Bylaw No. 24 – 2014 by adding existing mobile homes as a permitted principal use in a UR – Urban Reserve District.

Notice given February 20, 2024.

Will receive three readings – Councillor Friesen

COUNCIL MEETING

Monday, April 1, 2024 6:30 p.m. Council Chambers, City Hall

I concur with the recommendation

C.A.O. Report

Date:

March 15, 2024

To:

Chief Administrative Officer

From:

General Manager of Corporate Services

Subject:

Notice of Motion for Bylaws to Establish the Mill Rate, Establish the Mill

Rate Factors, Special Levy, and Exempt the 2024 Assessment of Certain

Properties

BACKGROUND

Every year, Council needs to approve and adopt various agreements and policies to exempt certain properties from taxation, as well as to set the uniform mill rate and associated tax policies.

DISCUSSION

This report deals with giving public notice, as required by *The Cities Act*, that the necessary bylaws to establish the mill rate, the mill rate factors, the special levy for the long-term care facility, as well as to exempt the assessment of certain properties, be brought forward at a future meeting of Council.

This year, the percentage of values stipulated by the Province of Saskatchewan will remain unchanged. The percentage of value is applied to the total assessed value of each property to determine the portion that is taxable. In 2024, the percentage of value by property class is as follows:

Class	2024 Percentage of Value	2023 Percentage of Value
Agriculture	55%	55%
Non-Arable	45%	45%
Commercial (including Industrial, Elevator, Pipeline, Railway)	85%	85%
Multi Family Residential	80%	80%
Residential	80%	80%

In addition, notification regarding the education property tax mill rates to be levied on all properties in the 2024 taxation year is forthcoming from the Ministry of Government Relations and Holy Trinity Roman Catholic Separate School Division No. 22. As has been done in past years, municipalities will collect public and separate education property taxes and remit the funds to the Province or the separate school division.

RECOMMENDATION

THAT Notice of Motion be given at this time by advising the public of City Council's intention to consider a bylaw to establish the mill rate;

THAT Notice of Motion be given at this time by advising the public of City Council's intention to consider a bylaw to establish the mill rate factors;

THAT Notice of Motion be given at this time by advising the public of City Council's intention to consider a bylaw to establish a special levy for funding of the long-term care facility;

and

THAT Notice of Motion be given at this time by advising the public of City Council's intention to consider a bylaw to exempt the 2024 assessment of certain properties.

Kari Cobler, General Manager of Corporate Services

CAO Recommendation:

I concur with the recommendation.

C.A.O. Report

Date:

March 22, 2024

To:

Chief Administrative Officer

From:

General Manager of Infrastructure

Subject:

East Landfill Cover Soils Contract

BACKGROUND

Soil is required for the daily operation of the City's East Landfill for the covering of waste. The Municipal landfill must maintain a consistent and reliable supply of cover materials to maintain regulatory compliance and operational efficiencies. These materials help to minimize windblown debris, reduce water infiltration, and provide vehicle access to the waste tipping face as the landfill develops.

Through a consistent and reliable supply of quality cover soils over the past three (3) years, the East landfill has achieved regular covering of waste and has developed an on-site contingency stockpile while reducing the annual soil consumption and associated costs.

DISCUSSION

On March 5th, 2024, the City initiated a request for proposals to supply the East Landfill with soils suitable for daily cover for a term of three (3) years. Seven (7) proposals were received with five (5) meeting minimum requirements, ranging in unit price, from \$7.43 per tonne to \$10 per tonne. Southern Star Trucking and Excavation Ltd. offered the greatest value to the City based on pricing, experience and qualifications and received the highest score.

The proposed contract is for the supply and delivery of 1,000 tonnes of clay like cover material per month at a rate of \$7.44/tonne. The annual cost of the contract is \$89,280 (PST exempt, GST excluded), funded through the Solid Waste Utility's operating budget. The total value of the contract is \$267,840 (PST exempt and GST excluded).

RECOMMENDATION

THAT City Council approves the three (3) year contract with Southern Star Trucking and Excavation Ltd. of Swift Current, SK to provide landfill cover soils to the City's East Municipal Landfill at an annual cost of \$89,280 (PST exempt, GST excluded) and that the Mayor and City Clerk be authorized to sign the contact.

Greg Parsons, General Manager of Infrastructure

gp/ks

CAO Recommendation:

I concur with the recommendation.

C.A.O. Report

Date:

March 22, 2024

To:

Chief Administrative Officer

From:

General Manager of Infrastructure

Subject:

Composting Operations Contract

BACKGROUND

The City of Swift Current's composting program began in 2019, where the City's yard waste and wood chips were blended and composted. Since that time, the program has increased annual production, sales and has successfully produced quality compost every year with no limitations for use as defined by federal compost regulations.

The City's East Landfill annually receives and diverts an average of 4,000 m³ of yard waste. Previous composting operations were unable to utilize all of the incoming yard waste. Therefore, the excess yard waste materials have been stockpiled at the landfill. The 2024 composting program will utilize a minimum of 5,000 m³ of yard waste and woodchips until the stockpile is depleted. By diverting the yard waste from being landfilled, the compost program has an approximate airspace savings value of \$200,000 annually.

If the materials diverted through the Yard Waste Collection program weren't composted, they would be required to be landfilled. The landfilling of organic waste is known to contribute to greenhouse gas (GHG) emissions, with landfills producing 23% of Canada's annual methane emissions. Methane is generally recognized as 25 times as potent of a GHG when compared to Carbon Dioxide. As regulations surrounding GHG emissions continue to change, there is the future potential for financial penalties if yard waste were to be landfilled.

DISCUSSION

The City issued a request for proposals (RFP) for composting operations on SaskTenders and the City website on February 5th, 2024, which closed February 28th, 2024. After receiving only one (1) proposal, the City entered into negotiations with GFL Environmental Inc. A price was reached which Administration believes to provide strong value to the City of Swift Current.

The cost of operations has decreased for the 2024 season, bringing the program to a sustainable level to process the amount of materials collected through the City's Yard Waste Collection program. The proposed three (3) year contract, with two (2) options to extend for two (2) years, is for the composting operation at the City's East Landfill, from April 15th, 2024, until October 31st, 2026.

The annual cost of the contract is \$83,718.10 (PST exempt, GST excluded), funded through the Solid Waste Utility's operating budget.

RECOMMENDATION

THAT City Council awards the three (3) year Composting Operations contract, with two (2) options to extend, to GFL Environmental Inc. at an annual cost of \$83,718.10 (PST exempt, GST excluded) and that the Mayor and City Clerk be authorized to sign the contract.

Greg Parsons, General Manager of Infrastructure gp/ks

CAO Recommendation:

I concur with the recommendation.

C.A.O. Report

Date:

March 14, 2024

To:

Chief Administrative Officer

From:

General Manager Community Services

Subject:

Community Services Facility Rates 2024 - 2025

BACKGROUND

Rates are reviewed and assessed for the City of Swift Current's Community Services facilities yearly. The rates are approved by City Council and incorporated September 1st of each year. Cemetery and golf course fees are independent and reviewed and approved separately by Council.

The Community Services facilities can be split into two categories: (1) minimal or non-revenue generating facilities and (2) revenue generating facilities. Historically, Council has directed the revenue generating facilities to recover 40% of overall total facility operating costs.

The minimal or non-revenue generating facilities include ball diamonds, tennis courts, outdoor rinks, soccer pitches, beach volleyball courts, park rentals, arts and culture.

The main revenue generating facilities include the InnovationPlex, Aquatic Centre, S3 Arenas, Lieutenant Colonel Clifton Centre, Dickson Community Centre, Fairview Pool, and Kinetic Park. These facilities generate revenues from users who pay a fee to use them. The user fees offset the operational expenses of the facility. For Councils information Community Services revenue generating facilities recovered 49% in 2023, budgeted 43% for 2024 and projections for 2025 are 44%.

DISCUSSION

Forecasting, setting, and monitoring of facility rates is an on-going and challenging task. It takes considerable time and effort to calculate future operational expenses in order to set revenue targets to meet the designated recovery rates. Operational costs are impacted by several factors including electricity, gas, water, wages, contractor costs, carbon tax, materials and equipment. Increases are anticipated in facility operational expenses for the upcoming years and therefore have been budgeted into the projections. Revenue projections are based on a regular year's ability to maintain and increase facility bookings and programming.

Rates include ice surface and swimming pool rentals, room rentals, riding arenas, camping, storage, art classes and accessories (tables, chairs, stage, benches, drapes, microphones, games), etc. All rates are not automatically increased by the same percentage. The rate for each facility is reviewed and recommendations for the rates are provided accordingly.

Standard recommended increases include:

- 3% increase on arena ice rates
- 5% increase on athletic field per player rates
- 3% increase on dry floor surface rates
- 5% increase on all LCol. Clifton and Dickson Centre rates
- 3% increase on Community Garden rentals
- 3% increase on banquet and meeting room rentals
- 3% increase on extra revenue rentals
- 3% increase on all park rentals
- 3% increase on camping
- 1% increase on aquatic programming, with some exceptions
- 1% increase on aquatic facility rates
- 1% increase on aquatic general admissions
- 3% increase on Art Galley rates
- 3% increase on Museum rates

The Recreation, Parks and Culture Board met on March 11th, 2024, and was presented the Facility Rates information report including detailed information on recovery rate comparisons, past facility rate increases, and community comparisons. Upon review and discussion, the Recreation, Parks and Culture Board supported the information as presented and endorsed the recommended rate increases.

RECOMMENDATION

THAT City Council approves the facility rates as attached in Appendix A (GST and PST excluded) to be in effect from September 1st, 2024, to August 31st, 2025.

Nicole Spenst, General Manager of Community Services

CAO Recommendation:

I concur with the recommendation.
