- 1. Inspections are required for all permits as detailed in the permit instructions for the project. It is the applicant's responsibility to request inspections. Contact 306-778-2714 or bldg@swiftcurrent.ca to book an inspection time. Please allow at least two working days notice when scheduling your inspections.
- 2. Permits will be deemed expired if:
 - a. Work does not commence within 180 days of permit issuance, or
 - b. Work is suspended or abandoned for a period of 180 days, or
 - c. Work is not completed within the time period set forth in the permit conditions. One-time permit extensions may be granted where applicable upon written request.
- 3. This permit is only applicable to the work detailed in the Description of Work and all other work carried out that is not listed on the issued permit will be deemed in non-compliance with the City of Swift Current Building Bylaw.
- 4. The permit holder has the right to cancel the permit before construction commences. There are no refunds on permit fees once the permit is processed.
- 5. The permit holder is responsible to notify the issuer:
 - a. When excavation commences; and
 - b. If there is a change of ownership from the owner as stated on the permit application.
- 6. The permit issuer has the right to cancel the permit if it found that the permit was issued in error due to incorrect or insufficient information in respect to the permit.
- 7. No person shall deviate or authorize a deviation from an issued permit, without first obtaining the written permission of the permitissuer.
- 8. The permit holder will ensure that the construction site is identified.
- 9. The permitted work requires the approval of a Building Official before any part of the building or system is covered or concealed. If required by a Building Official, the owner shall uncover and replace at the owner's expense.
- 10. Occupancy Permits will not be issued without satisfactory reports such as but not limited to: electrical inspections, gas inspection, public health, fire protective services.

Permit fee calculations are based on value of construction established in City of Swift Current Building Bylaw No. 7-2010 Article 5.5. and based on value of construction being labour and materials. The local authority may estimate the value of construction for the work described in the application for the purpose of evaluating a permit fee based on established construction costs, owner's statement of costs, or constructor's contract values, or similar method selected by the local authority. **Minimum permit fee of \$30.00 applies.**

First \$100,000.00 value of construction: \$5.00 per \$1,000.00	5 x =
Value of construction over \$100,000.00: \$4.00 per \$1,000.00	4 x =
Demolition/moving: \$50.00	
Total	

Subject to The Construction Codes Act, Subsection 6(1), I understand that "the owner of each building in Saskatchewan shall ensure that the building is designed, constructed, erected, added to, placed, altered, repaired, renovated, demolished, relocated, removed, used or occupied in accordance with construction standards". I acknowledge and state that the information contained is correct and agree to comply with all City of Swift Current and/or provincial regulations regarding building and occupancy. This issuance of a building permit does not relieve the owner and/or authorized agents from complying with the requirement of the National Building Code of Canada as adopted and amended by The Building Code Regulations. I acknowledge that the submission of this application does not give permission to begin work on this project.

Residential Zoning for One-& Two-family Dwellings

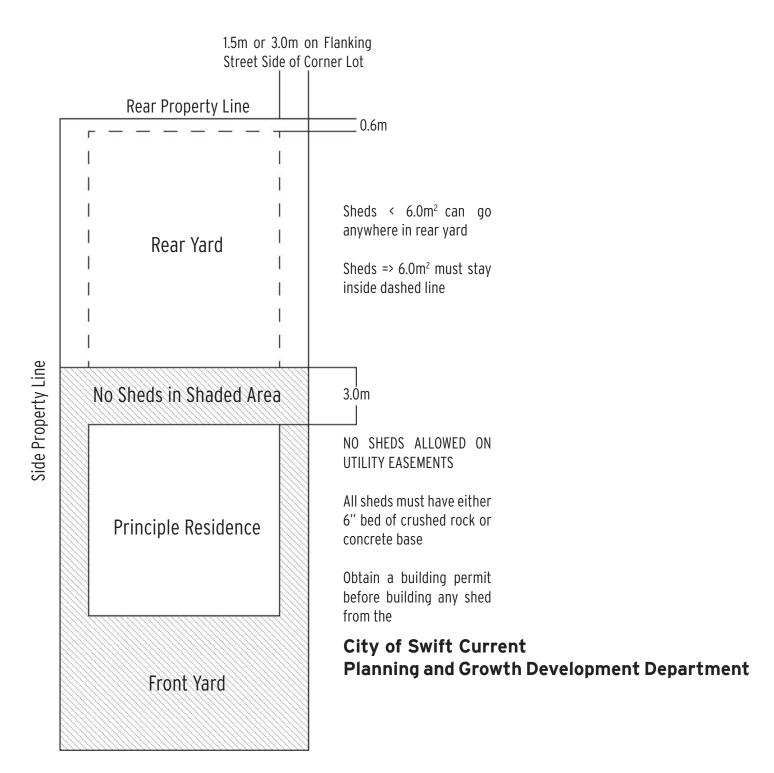

BP2024

After determining the current 'zone" per the current City of Swift Current Zoning Bylaw, determine what the requirements are for the proposed development. Compare the proposed development to the actual. If the proposed meets the requirements, the project is permitted by zoning and the building permit application will be reviewed for building code compliance. A detailed site plan is required.
