Welcome

MESSAGE FROM MAYOR AL BRIDAL

Thank you for picking up and browsing through our 2024/2025 Fall & Winter Community Services Guide. Our community is full of sport, recreation, and culture opportunities for all to enjoy, and this publication will present you with some great options to consider!

Why not try something new, sign up for a class, join a league, or take in a new cultural activity? Your health and wellbeing depends on making those investments.

Speaking of investments, I would also like to take a moment to formally recognize and express gratitude to our countless community volunteers. The opportunities within these pages would not be possible without their commitment - so, thank you, on behalf of everyone who benefits from your dedication to sport, culture, and recreation!

However you decide to participate, whether signing up the kids, or signing up for yourselves - you are going to love the priceless memories you're making. Enjoy!

Sincerely,

CEMETERIES & MEMORIAL PROGRAMS

Some of the most beautiful green spaces in Swift Current can be found at the three cemeteries located within the City.

Mount Pleasant Burial Park, Mount Pleasant Cemetery

& Hillcrest Cemetery commemorate those loved ones who have passed on in our community.

MEMORIAL BENCH PROGRAM

The Memorial Bench Program provides the opportunity for citizens to remember and reflect on loved ones in a natural setting that has special meaning to themselves or their loved ones. Applicants work with the City to select an appropriate location for bench installation. Possible bench locations include trails, parks and green spaces that are on land owned and within the City of Swift Current.

MEMORIAL TREE PROGRAM

You may have seen the Memorial Tree Program during your walk along the Chinook Parkway in the coulee by 4th Avenue NE. The trees along the Parkway are planted in memory of loved ones who have passed away.

In addition to the new planted tree, an inscription of the loved one's name will be placed on a common plaque in the middle of the coulee. The City has set up this program in order to continue to thank those who have contributed so much to our community.

For more information on Cemeteries and Memorial Programs, contact the Community Services Division.
