 Jim Jones, CAO

City of Swift Current

C.A.O. Report

Date: September 11, 2024
To: Chief Administrative Officer
From: Executive Director of Strategic Operations
Subject: 2024 List of Lands with Arrears

BACKGROUND

Attached is the List of Lands with Arrears as of September 11th, 2024 to be presented to City Council in compliance with Section 3 of *The Tax Enforcement Act*.

The Tax Enforcement Act, Section 3, states that a Municipality may direct that all properties that do not exceed one half of the preceding years tax levy be removed. In 2001, Council carried a motion in support of this option and the list does not include those properties.

DISCUSSION

The Tax Enforcement List will be published in the September 26th, 2024 edition of the Southwest Booster. Courtesy phone calls have been made to property owners on the Tax Enforcement List, requesting payment to clear arrears and advising that the City intends to publish the list and register a lien on their property. After the posting of arrears in the paper, property owners will have 60 days to pay the arrears, after which time a tax lien shall be registered against their title at the Information Services Corporation Office. Prior to the list being published, the Taxation Department will continue to collect unpaid amounts and remove names from the list as required.

All fees paid by the City of Swift Current for advertising and registration of liens will be added to tax cards as required and in their proportioned amounts.

RECOMMENDATION

THAT this report be accepted by City Council as presented.

Kari Cobler, Executive Director of Strategic Operations

CAO Recommendation:

I concur with the recommendation.

Jim Jones, CAO

City of Swift Current

C.A.O. Report

Date: September 9, 2024
To: Chief Administrative Officer
From: Kari Cobler, Executive Director of Strategic Operations
Subject: Amendment to Capital Reserve Bylaw No. 8 – 2014

BACKGROUND

In 2013, a financial strategy was presented to City Council that served to reduce the City's reliance on debt. As part of this strategy, in 2014 the Capital Reserve Bylaw was established to provide for the creation of dedicated funds for the purpose of financing capital expenditures.

DISCUSSION

During 2024 budget deliberations it was identified that surplus funds were available within the chargeable equipment reserve which could be allocated to finance other necessary equipment expenditures. To facilitate transfer of these funds, a minor amendment has been identified within the Capital Reserve Bylaw as shown in the attached Schedule "A".

The Capital Reserve Bylaw has been flagged for full review in 2025 under the Corporate Services Division bylaw audit. However, in the interim this textual amendment is being recommended as a matter of housekeeping until such time as additional review and amendments, if necessary, are completed.

RECOMMENDATION

THAT Notice of Motion be given at this time by advising the public of Council's intention to amend Capital Reserve Bylaw No. 8 - 2014 as shown in the attached Schedule "A".

Kari Cobler, Executive Director of Strategic Operations

CAO Recommendation:

I concur with the recommendation.

Jim Jones, CAO

SCHEDULE 'A' - changes shown in red

BYLAW NO. 8 - 2014

Purpose

A BYLAW of the City of Swift Current, in the Province of Saskatchewan, to provide for the creation of reserve funds for the purpose of financing any capital expenditures Council is authorized to make.

Interpretation

In this Bylaw:

- a) "Authorized" means authorized by Council;
- b) "Capital Expenditure" is as per the Accounting for Tangible Assets Policy - Council Resolution No. 466 – 2009;
- c) "Capital Budget" means the first year of the Capital Plan as annually approved by Council;
- d) "Capital Plan" means a plan for a period of not less than five years including the current year, showing the estimated capital cost of and the proposed sources of financing for each capital work for each year of the plan as approved by City Council;
- e) "City" means the City of Swift Current;
- f) "Council" means the Council of the City of Swift Current;
- g) "Operating Budget" means a budget containing the estimated revenues and expenditures for the current year as required by Sections 128 and 129 of *The Cities Act, S.S. c. C. 11 – 1*.
- h) "Provision" means a monetary contribution to a reserve;
- i) "Reserve" means funds held by the City for the purpose of capital expenditures.

Establishment of Reserves

The Reserves listed below in this Bylaw are hereby ratified and established.

Funding of Reserves

- (1) Each Reserve shall be funded in accordance with this Bylaw.
- (2) Except where specifically provided by this Bylaw or specifically authorized by Council, a Reserve shall not accumulate more funds than are required to finance the replacement

of existing assets and/or the acquisition of new assets which are identified in the City's Capital Plan.

- (3) Every expenditure from a Reserve shall be authorized by inclusion in the City's Capital Budget or by a Council Resolution for projects (whether included in the City's Capital Plan or not) which because of their urgent nature cannot follow the normal budgetary practice of the City.

Administration of the Reserve

The Chief Financial Officer and the General Manager of Financial Services shall administer all Reserves. They shall in each year report to Council the status of each Reserve. Council shall review the status of each Reserve and determine the adequacy of the Reserve.

Other

- 1) A Reserve shall only contain funds for capital expenditures.
- 2) A Reserve shall not be used for operating expenses.
- 3) Except as specifically provided for in this Bylaw, a Reserve shall not be allowed to be in a deficit position.

Capital Reserve for General Expenditures

Purpose

- 1) The purpose of the Capital Reserve for General Expenditures is to finance the cost of capital expenditures for general operations, including the purchase of new and replacement items or equipment.

Funding

- 2) This Reserve shall be funded by:
 - (a) The City shall immediately transfer a minimum of Two Million, Five Hundred Thousand Dollars (\$2,500,000.00) to the Reserve from the Light and Power surplus.
 - (b) A Capital Project Levy of 5% per year shall be added annually to the mill rate to increase the funded amount.
 - (c) This Levy will automatically be adjusted to compensate for the difference should the amount in 2(a) be less than Two Million, Five Hundred Thousand Dollars (\$2,500,000.00).

Expenditures

- 3) Funds from this Reserve shall only be used for capital expenditures for general operations.

Chargeable Equipment Reserve

Purpose

- 1) The purpose of the Chargeable Equipment Reserve is to finance the capital costs of the City's chargeable equipment and infrastructure associated with the operation of the equipment including any buildings, technical equipment or maintenance programs needed to operate the equipment.

Funding

- 2) In addition to the existing balance in the Reserve and the current amount recovered through operations, a Chargeable Equipment Levy of 1% per year shall be added annually to the mill rate to increase the funded amount.

Expenditures

- 3) Funds from this Reserve shall only be used for the capital expenditures for Chargeable-Equipment and as listed in 1) above.

Responsibility

- 4) The General Manager of Infrastructure and Operations along with the General Manager of Financial Services shall be responsible for establishing and administering the eligible projects, the annual amount necessary and the overall level of funding of the Reserve.

Conflict with Policies

In case of conflict between this Bylaw and any Policy of the City, this Bylaw shall govern.

This Bylaw shall have force and effect upon final reading from Council.

"Jerrod Schafer"

"Lee Ann Thibodeau"

MAYOR

CITY CLERK

INTRODUCED AND READ a first time this 18th day of February, 2014.

READ a second time this 18th day of February, 2014.

READ a third time and finally passed this 18th day of February, 2014.

City of Swift Current

C.A.O. Report

Date: September 10, 2024
To: Chief Administrative Officer
From: Director of Light and Power
Subject: **Powerline Pole and Transformer Changes - Compliance Issues**

BACKGROUND

This is a follow up report resulting from discussions regarding the significant challenges being levied on the Light & Power utility operations; specifically Federal compliance issues regarding Polychlorinated biphenyls (PCB's), Pentachlorophenol (PCP) and the end of use deadlines being imposed with products containing these chemicals to protect the environment and public health.

DISCUSSION

In order to meet the PCB deadline of December 31st, 2025, requiring oil containing PCB additives removed from service, and to use our current power pole inventory which must be in service and out of inventory before October 31st, 2026, it is important that we begin work to become compliant before the deadlines.

To meet the compliance standards in a timely and cost-effective manner, Light & Power's (L&P) approach is to change the poles that have in service transformers attached and collect samples for analyzing. This will assist in making progress on the PCB and PCP issues in a coordinated effort. All remaining transformers will also be sampled and analyzed, with the appropriate action taken on those devices containing high PCB content.

This was not an identified project within the L&P 2024 Capital Budget, given the legislative mandates for completion, it is being recommended that available funds from the 2024 L&P System Improvement Capital Budget, be reallocated accordingly so that this project may begin.

Through the Incident Command System (ICS) workshops it was identified that L&P required emergency support. In the course of time, it is expected there will be conditions beyond current capabilities and contractor support will be needed. Building a relationship for future emergency coverage is all part of determining which contractors are willing and

able to dedicate resources to the City of Swift Current. Based on previous positive experience three (3) contractors were consulted based upon interest, availability, and rates. One (1) contractor would not commit because of their priority to SaskPower – even though they are established within Swift Current. The other two (2) contractors provided rates and a shared interest in working with the City. Neuls Holdings Inc. (NeuPower) is able to coordinate L&P work with other travel in the area, saving some of the mobilization and demobilization expenses. In addition, NeuPower is able to assign the proper skilled personnel initiating progression this fall, effectively setting up the City for meeting the 2025 and 2026 deadlines.

RECOMMENDATION

THAT City Council approve the Powerline Pole and Transformer Changes as a project within the 2024 fiscal year for the sum of \$146,000;

And

THAT City Council approves the reallocation of funds, in the sum of \$146,000, from the 2024 System Improvement Capital Budget to the 2024 Powerline Pole and Transformer Change project;

And

THAT City Council award the 2024 Powerline Pole and Transformer Changes to Neuls Holdings Inc, of Craven, SK in the amount of \$132,500 (PST included, GST excluded).

Darryl Tunall, Director of Light and Power

CAO Recommendation:

I concur with the recommendation.

Jim Jones, CAO

City of Swift Current

C.A.O. Report

Date: September 12, 2024
To: Chief Administrative Officer
From: General Manager of Cultural and Aquatic Services
Subject: **Green and Inclusive Community Buildings Grant Program – Phase 3**

BACKGROUND

In 2008, the City of Swift Current started the planning process necessary to explore the potential for a multifunctional leisure facility that could accommodate recreational, cultural, sport and fitness activities beneficial to all users.

A five (5) year, Two Billion Dollars (\$2,000,000,000) Green and Inclusive Community Building program is now entering phase three (3) of the three (3) stage roll out. The City of Swift Current has made applications for the first two (2) roll outs and has not been successful to date.

The Green & Inclusive Community Building Program supports eligible applicants with large projects requiring retrofitting of existing community buildings or projects to build new community buildings ranging from Three Million Dollars (\$3,000,000) to Twenty-Five Million Dollars (\$25,000,000) and can now apply between September 24th and October 16th, 2024, for consideration.

DISCUSSION

As part of this ongoing process, administration is requesting to apply for funding consideration from the Green and Inclusive Community Buildings (GICB) Program – stage three (3).

This program is an Infrastructure Canada / Government of Canada program.

These recreational facility structures and spaces are at the heart of community vitality – being places where Canadians gather and access essential services, to learn and play. Play is a meaningful role in fostering inclusion in society and combating systemic inequalities.

At this time, the funding if approved, allows for up to 50 % of the total cost of building to be covered by the Government of Canada. The City of Swift Current would be responsible for 50% or more of the total cost of the project plus any shortages, potential cost overruns, or new scope of work. Any dollars spent to date cannot be included in the 2024 grant application.

City Council would agree to fund the municipal share of the project by using debt for the principal and interest. Municipal taxes would then fund the ongoing operational and maintenance costs of the facility.

To submit an application to the Green & Inclusive Community Building program a Council Resolution in support of the proposed project must be passed.

RECOMMENDATION

THAT City Council support the development of a phased approach to the completion of an Aquatics Leisure Facility and that Administration be directed to apply for grant funding through the Green and Inclusive Community Buildings Grant – Round 3. City Council agrees to meet the terms and conditions of the relevant program, to conduct an open tendering process, to manage the construction of the project and to follow any Federal and Provincial Environmental Legislation and Standards. City Council deems this project to include the completion of an Aquatic Centre and atrium area and to fund the municipal share by debt with the ongoing operations and maintenance costs funded by way of municipal taxes.

Melissa Shaw, General Manager of Cultural and Aquatic Services

CAO Recommendation:

I concur with the recommendation.

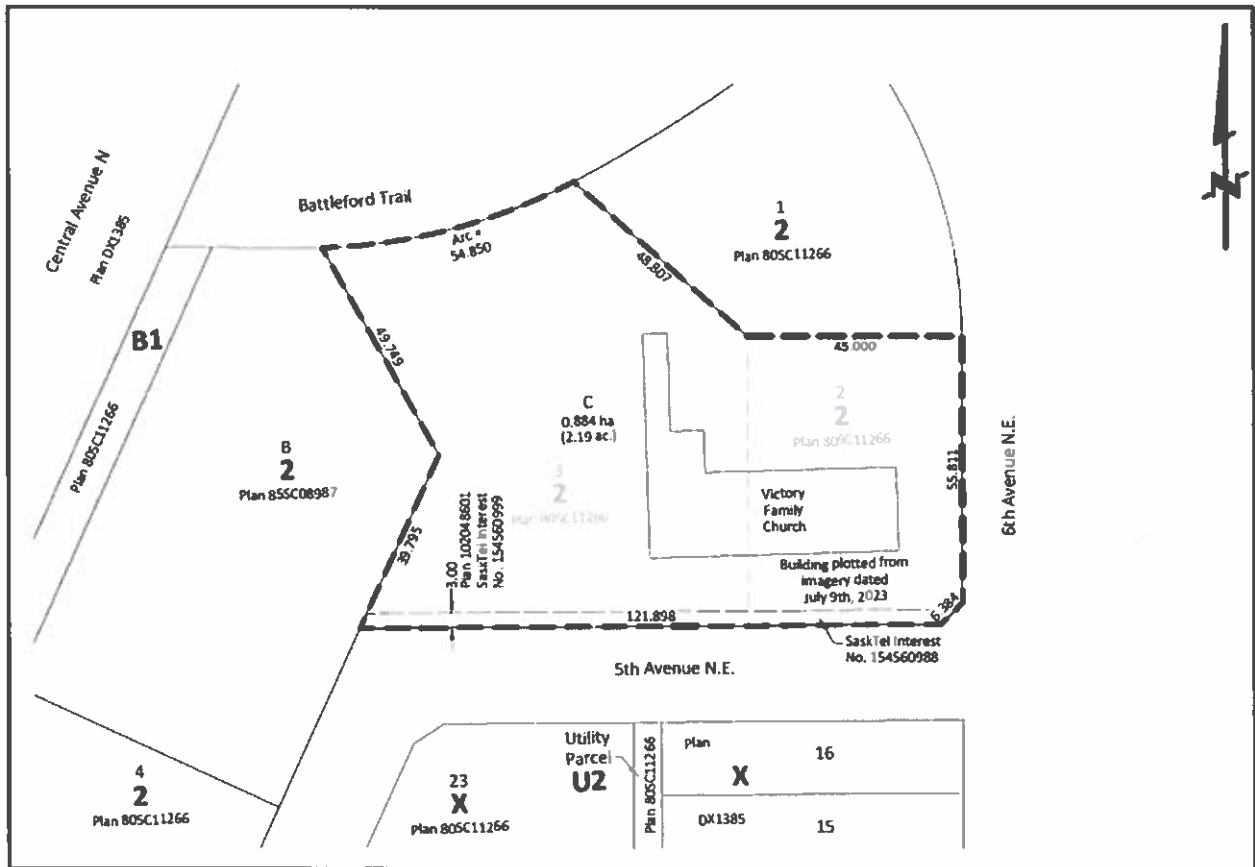

Jim Jones, CAO

Date: August 30, 2024
To: Chief Administrative Officer
From: Development Officer
Subject: Proposal to Consolidate Lots 2 & 3, Block 2, Plan 80SC11266 at 1100 – 5th Avenue NE (Victory Family Church)

BACKGROUND

The City has received an application from the Victory Family Church to consolidate two (2) lots located in a C3 – Highway Commercial District. The consolidation will accommodate construction of a building addition to the existing church.

DISCUSSION

This proposal was reviewed against the City’s Official Community Plan, Zoning Bylaw and Subdivision Bylaw, as well as other bylaws, policies and statutory requirements. There were no issues identified.

The attached Plan of Proposed Consolidation for these two lots will create a single parcel approximately 0.9ha/2.2ac in size. Consolidating the lots will eliminate the lot line that is currently built over and remove the non-conformity of the existing church and the future building addition.

This proposal was circulated to various agencies for review:

Department of Highways	No objection.
SaskPower	
City of Swift Current	Existing facilities and easements to be maintained, relocated or terminated at Developer’s cost; new facilities and easements may be required under a servicing agreement with the Developer.
SaskTel	
Shaw Cable	
SaskEnergy	

RECOMMENDATION

THAT City Council approve the proposed consolidation of Lots 2 & 3, Block 2, Plan 80SC11266 Ext’s 0 and that the Mayor and City Clerk be authorized to sign the Certificate of Approval.

Jason Holderbein, for Kathy Dand, Development Officer
KD/Attachment

CAO Recommendation:

I concur with the recommendation.

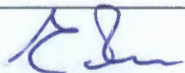

Jim Jones, CAO
