I am Tom Christiansen and I am seeking re-election to the Swift Current City Council

- Born and raised in Swift Current
- Small business owner of Decor Complete Ltd which I have been involved in for 42 years
- Married to Tara with whom I have one son, Dalton
- Strong supporter of many charities, sports teams, the arts community, and many other area causes
- A founding member of Swift Current Minor Football and former volunteer football coach with SCMF and the high school
- Extensive boardroom experience including leading the transformation of Information Services from a government Crown into a TSX traded corporation
- Chartered Director (C.Dir) designation from Degroote School of Business at McMaster University
- I believe a councillor's main duty is to be a vigilant steward of the taxpayer's money. If re-elected, I will continue to prioritize improving the core city services while maintaining an affordable tax level.
