Honored to represent the people of Swift Current on the Chinook School Board for the last 4 years! I am proudly putting my name forward to continue as your representative.

My wife Serena and I have watched our three kids make their way through Chinook since kindergarten. Two are now off to post-secondary and our youngest will graduate this Spring.

Being self-employed for the last 25 years has given me the flexibility to be a trustee, a dad, a husband, and a volunteer within the community. You may have seen me cheering on my kids, running the city paths or welcoming guests to our cabin

As a trustee I have always kept students as the top priority while also being fully aware of where the dollars come from while making tough financial decisions.
